

## Redesigned Packaging for all C and A Series Staples

**TWICE AS THICK. TWICE AS DURABLE. MORE SHELF APPEAL. EASY CROSS SELLING.**

No more wimpy cardboard. Our new packaging is **twice** as thick, and **twice** as durable to limit box breakage.

The new boxes help sell tools! The new design features The Classic, The Ergo, and The Standard tools on the outer case. The inner box highlights the Ergo tool models that correspond to the staple size.
