# Plier Staplers

Klinch-Pak offers the widest range of Carton and Plier tools in the industry.

Our Klinch-Pak Pliers staplers come in 3 models: KP-P50-10B-A, KP-P50-777 and KP-P50-779. These staplers are the best option for Tray & Lids, End Caps, and Headers. Our tools come stock with a standard anvil, but have options for a curved left or right anvil, to help with different applications. Below is the technical data for all 3 tools.

### Applications:

- Trays & Lids
- End Caps
- Header & Bags
- Container Inserts
- Bedding

### Features:

- 6" throat anvil to allow flexibility of staple placement.
- Light weight and well balanced
- Accepts 3/8", 1/2", 5/8" length fasteners.
- C anvils available
- Penetrates and securely fastens up to two thicknesses of double-wall
