

0° Siding Coil Nailer

Our Axxis Pneumatics CN-565Z 0° Siding Nailers are tough, reliable and are a competitively priced options for your nailing needs.

The tool features a depth of drive dial to easily adjust depending on the application. The bump fire trigger allows for rapid production, driving 6-7 nails per second. The magazine holds 300 plastic collated nails, and is easy to load. The rubber grip will help cut down on user fatigue, and the no mar rubber pad will help protect the material being fired into.

The CN-565Z is the perfect tool for all your siding, fencing and sheathing options.
