

## NRH-83 Full Round Head Strip Nailer

Introducing the Axxis Pneumatics NRH-83 Framing Nailer - the classic design the market loves and demands. Our NRH-83 is designed to shoot 21 or 22 degree full round head plastic strip nails. It accepts 2" to 3-1/2" length nails, while only weighing 8 pounds.

The NRH-83 features a stainless trigger valve and heat treated driver blade to reduce wear and extend the life of the parts. The open nose allows users to quickly clear jams, while ensuring perfect placement when toe nailing due to its aggressive design. The high capacity magazine is made of lightweight aluminum for better durability.
